Start Date for Student Support: 6/16/2022
Short Project Description:

Includes a short introduction with goals, research objectives, and a brief justification why it is considered a “Molecular Engineering” project.

By either electronically or physically signing below, the faculty member(s) attests their ability to support the named student financially (including stipend, tuition, and benefits) via a UW budget number at the MoE salary rate commencing at the start of the student’s first Summer quarter. Additionally, by signing below, the faculty member does so in good faith and agrees to be proactive in seeking and maintaining funding for the student as long as the student is making satisfactory progress toward his/her degree and fulfilling the obligations of his/ her appointment, as determined by the advisor in consultation with the MoE Ph.D. Graduate School Interdisciplinary Committee.

Please see the MoE Research Assistant job description for additional details on specific job duties and expected timelines.
